

***Samarth Educational Trust's
Sawkar Homoeopathic Medical College, Satara
Batch – WINTER 2023 Teaching Programme***

SR NO	MONTH	DR S.H. APATE	DR S.R. BAGADE	DR D.B. JADHAV
1	FEB 2023	Tumours of nose, Theraps for nose.	Gangrene, Aneurysm, Raynaud's disease, Buerger's disease, Hernia and Theraps for hernia, Fissure in ano, Fistula in ano, Haemorrhoids, CA intestines. Theraps for rectal and anal dis. Disease of mesentry, Peritonitis. Pancreatitis, CA pancreas, Amoebic liver abscess.	Theraps- Eye
2	MARCH 2023	Anatomy, physiology&Examination of Pharynx, Larynx, tracheobronchial tree and oesophagus. Pharyngitis, Hoarseness, Tumours of Larynx and Laryngopharynx, Pharyngeal tumors, Laryngitis, Singer's nodes.	Pericardial effusion, cardiac tamponade, congenital heart diseases, Theraps for heart disease. Mastitis, fibroadenoma and fibroadenosis of breast, CA breast, Theraps for breast, Goitre. Theraps for thyroid. Chest injury, Pneumothorax, CA lung, Theraps for lung affections. „	Fractures in general. Fracture- clavicle, humerus, dislocation of shoulder, Colle's fracture. Fracture femur neck
3	APRIL 2023	Tonsilitis, Quinsy, Tracheostomy, Theraps for throat. Applied anatomy and physiology of teeth and gums, Gingivitis. Dental caries, Root canal therapy. Dentitional problems.	Diseases of oral cavity, oesophagus-Reflux oesophagitis, Dysphagia, Achalasia cardia, CA oesophagus. Peptic ulcer, CA stomach, Appendicitis. Irritable bowel disease, Intestinal obstruction, Volvulus and intussusption, Ca Colon	Osteomyelitis Injury and inflammatory diseases of vertebral column, Dislocation- Hip, knee and Pott's spine, Diseases of joints- ankylosis,
4	MAY20 23	Theraps in dentistry.	Theraps for Disease of oral cavity, oesophageal disease, stomach, Appendicitis, intestines	Tuberculosis of joints- Hip and knee, Types of Arthritis-Perthes disease. Osteochondritis

5	JUNE20 23	Anatomy and physiology of ear, examination of ear and tests of hearing, Diseases of external ear-congenital defects.	Liver tumours and portal hypertension and its Theraps, Cholelithiasis and Cholecystitis, CA Gall bladder, Rupture of spleen, Theraps for Gall bladder and liver.	Neoplastic and inflammatory disease of muscle, tendon and fascia. Injuries to knee ligament, Hom. theraps for bonedis. Applied anatomy and physiology of eye, examination of eye,
6	JULY20 23	Inflammatory disease and obstructive disease of external ear-Otitis externa, Otomycosis, Wax, Foreign bodies, Otitis media, Earache, Otosclerosis, Deafness, Tinnitus, Vertigo. Intranuclear facial paralysis, Meniere's disease.	Congenital diseases of urinary tract, Urinary tract infection-Pyelonephritis, pyonephrosis, Urinary calculi, Hydronephrosis, Haematuria, Tumours of urinary system, Theraps for Urinary system. Benign enlargement of prostate, CA prostate. Theraps for Prostate.	Errors of refraction Conjunctivitis, Uveitis, Iridocyclitis Diseases of cornea, Scleritis and Staphyloma
7	AUG202 3	Tumors of ear, HomTheraps of Ear. Anatomy and Physiology of nose and paranasal sinuses, Its Examination, Diseases of external nose, Deviated nasal septum, Rhinitis.	Varicose veins, DVT, Lymphangitis and injury to peripheral nerve. Theraps for arterial disease& venous diseases.	, Cataract. Glaucoma, , Diseases of cornea, Stye, Chalazion, Systemic ophthalmology
8	SEPT 2023	Nasal polyps, Epistaxis, Sinusitis.	Revision	Squint, Nystagmus, Blepharitis, Blindness, Ocular injuries Dacryocystitis, theraps of eye.
